<b>Ethics Training</b>	Approved By:

**Background:**

In 2005 the Governor signed Assembly bill No. 1234 requiring that if a local agency provides any type of compensation, salary or stipend to or reimburses the expenses of a member of its “legislative body” (as that term is defined in CA Government Code Section 54952), that local agency’s officials must receive at least two hours of ethics training every two years.

**Policy:**

The members of the Board of Directors will participate in the free online training program offered by the Fair Political Practices Commission, or other Fair Political Practices Commission and Attorney General approved ethics training program, not less than every two years. Directors will provide a certificate of completion to be retained in the Administrative offices.
